

Michael Shaw

Abundance Ecologist and Free Enterpriser: Michael Shaw is proprietor of Liberty Garden, a 75-acre coastal oasis acknowledged on the cover of an international environmental science journal for its breakthrough creation of a native plant wonderland. The purpose of Liberty Garden is to show, by example, how private property provides for better stewardship of the earth than does government control. www.libertygarden.com.

Citizen: Michael Shaw was a founding participant and is President of Freedom 21 Santa Cruz. Freedom 21 Santa Cruz is an organization dedicated to the ideals of Liberty. Freedom 21 seeks to inform about the nature of personal and family independence, private property, and legitimate government. Michael Shaw sat on the Santa Cruz local United Nations Agenda 21 committees in the midnineties. He helps spread information to Americans about how the United Nations Sustainable Development/Agenda 21 is being implemented throughout America in order to establish new systems of government, justice, and economics. He demonstrates how Sustainable Development is a coordinated and comprehensive program that is designed for eliminating private property and independence. Michael works to provide general information, political theory, and the basis for hope via action. www.freedom21santacruz.net and www.advancebulletin.net. He is also a frequent host on the nationally syndicated Freedom 21 Santa Cruz Radio Show. www.F21SC.net/radio.

Professional Background: Michael Shaw is co-owner of a multi-location California based self-storage company. Individually he owns and operates a self-storage management company. He has earned his BA in Political Science and Jurist Doctorate. He has practiced as a Certi.ed Public Accountant and as an attorney focused on taxation. Mr. Shaw is a litigant defending his private property from Sustainable Development policies in separate actions against the counties of Santa Cruz and Alameda California.
